

Directions

GPS coordinates for the Kentucky Stampede Ride on October 15-16.

37 24 32 68n
82 59 39 80w

Here is another version of directions, maybe these will work better:

The address to plug into your Navigation System is :

64 Clydean Road, Leburn KY 41831

This will actually take you to the BP Station at the intersection of Hwy 80 & Hwy 1098 where you will take Hwy 1098 North. Go exactly 2 miles to top of mountain and turn left onto Elk View Drive and follow the signs to the campground.
